

ACUSA PARK 2008 RIDE DAYS

A series of 7 open-to-the-public Ride Days from June through September will be hosted by the Atujara and Levis Motorcycle Clubs and conducted at ACUSA Park in 2008.

Ride days are subject to weather conditions (particularly when very dry) and dates can be altered at short notice, read the Club Notes in the Motoring section of the Advertiser on Thursdays for any information and any last minute changes.

Come along and ride your bike on the Dirt Track, Enduro and two Motocross circuits at affordable prices. A new separate junior training facility has just been built for the littlies, with an Accredited MSA Coach available on most Ride Days to help juniors develop their skills. Coaching is available for all riders regardless of age and experience, and can be particularly helpful to those who have not ridden for some time and need a 'brush up' with their riding skills. Bring the whole family, we cater for everyone. Tracks will be open from 10am till 4pm (gates open 9am) for anyone with a safe and ride-worthy motorcycle. Non-licensed riders, juniors, children, raw beginners, experienced riders with MSA Competition Licences or MSA Recreational Licences are all welcome. One-day licences will be available and required for all non-licensed participants. This is a Controlled and safe riding environment for the whole family where juniors are supervised and segregated at all times. *Quads may have limited access to some tracks.*

This is an excellent opportunity to try out the different tracks. You may even decide to enter an event at this or another venue, Officials can advise you how to go about it. Have a talk with a coach or an experienced club rider and learn new set-ups, tricks and skills. They are always happy to help.

Even if you just want to check out the bikes, riders and the tracks just come along, there is no charge for looking and our catering service can provide you with a range of food and drinks throughout the day. *****BREAKFAST ALSO AVAILABLE*****

Ride Days will be held on Sunday:

Riders Please Note:

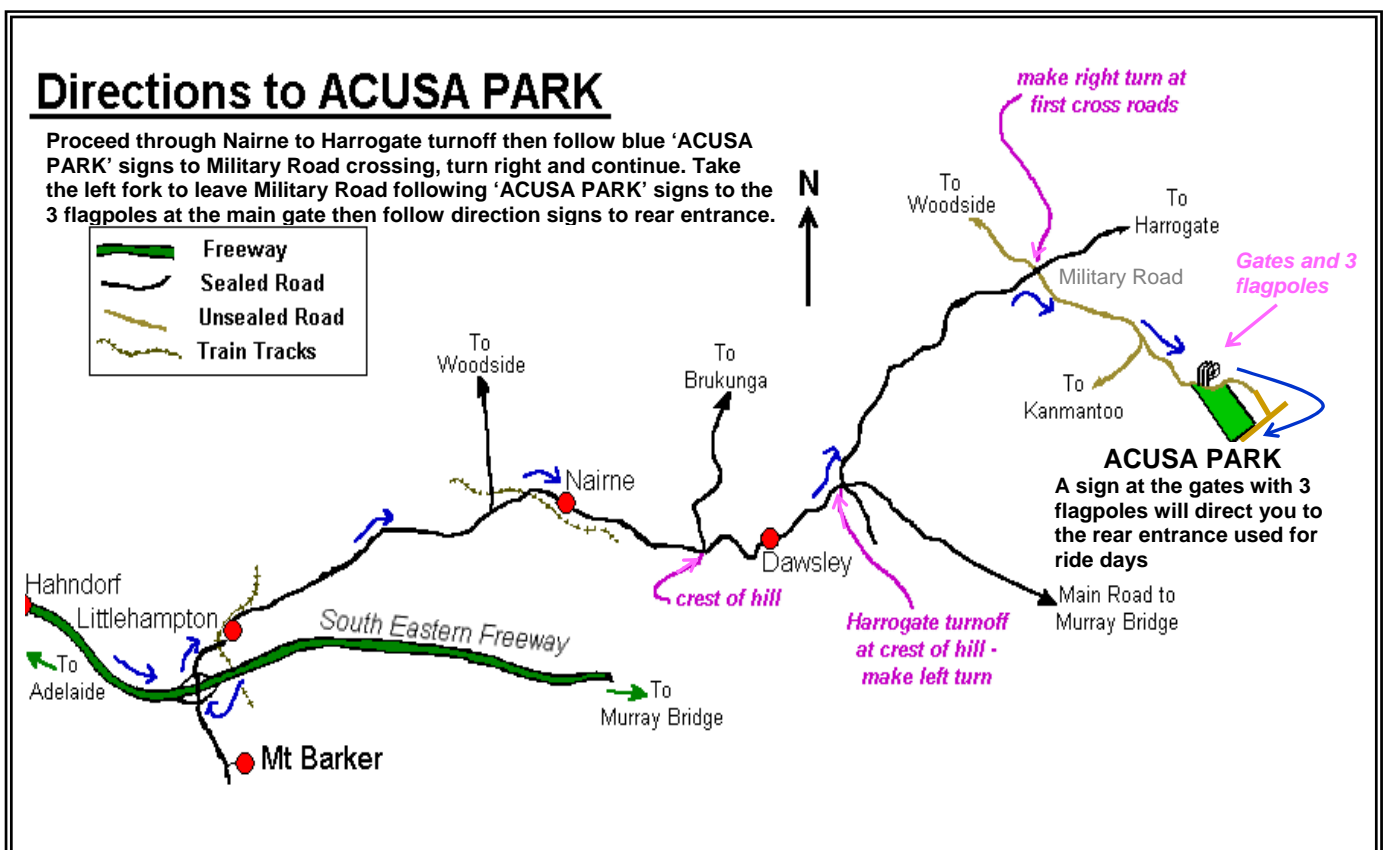

1. The property will be open for riding from 10.00am till 4.00pm.
2. You must sign in, pay fees and fit your wristband before riding.
3. The wristband must be visible at all times when riding.
4. If you have a licence, you must have it with you...or pay the unlicensed rider fee.
5. Machines shall be inspected for compliance with MSA regulations regarding safety issues.
6. The Dirt Track is open to all riders with sidecar and solo sessions scheduled depending on attendance.
7. At least one MX track will be open to adult riders, the other MX tracks are reserved for children under 16 as it is an explicit condition of our insurance that adults and children do not share the same track at the same time.
8. The Enduro Loop is marked. PLEASE stick to the marked track and do not indiscriminately ride around the property in general. IMPORTANT!! Remember to STOP and look for traffic each time you cross the access road at the completion of your lap.
9. Basic First Aid will be available and local emergency services will be alerted so they can render speedy expert care and transport if anyone does require. Ambulance cover is a good idea and can save you money if req'd.
10. MSA Rider Training will be available on most days, contact a Ride Day Co-ordinator for further details (see list below).
11. **Senior quads have limited access to some tracks, and conditions will apply for use on the property.** Please consult a Co-ordinator for more information.
12. Total number of riders on the property may be limited if unfavourable hot weather conditions persists on any given Ride Day. This will be decided by Officials, who also have the authority to refuse entry to the property to any person or persons. Rain will not cause the closure of tracks unless it is at flood proportions...we love the stuff!

NOTE:

ACUSA Park is owned by MSA and operated jointly by the Atujara and Levis Motorcycle Clubs.

Ride Days are run by volunteers as a service to the sport and the general riding public. This series is run to provide a venue for leisure riding and rider training and to raise money for maintenance and continued development of the Park and it's facilities for all riders and clubs.
